MEMORANDUM

To: James C. Buston, III, City Manager
From: Alison Frazier, Engineering Services Director/City Engineer
Subject: FY 20 Streets Re-striping Project
Date: August 20, 2020

In bidding this year's re-striping project, we requested bidders submit the unit price per pay item. The unit price is the cost per unit of each item needed to complete the project. By obtaining the cost per unit, we will be able to determine which streets can be completed, added or removed due to budget constraints and it allows us to select other roadways that may need striping.

We solicited bids from area contractors for the cost of labor, equipment and materials necessary to complete the FY 20 Streets Re-striping Project. The following bid was received and includes the per unit price for all of the pay items needed to re-stripe the streets:

CONTRACTOR	BID PRICE
Ozark Striping Company, Inc. Ozark, AL	\$274.80

We request approval to execute a contract with Ozark Striping Company, Inc. to provide re-striping services in an amount up to \$250,000 for one (1) year with the option to renew for two (2) consecutive one (1) year terms.

RESOLUTION NO. _____

WHEREAS, the City Council of the City of Auburn recognizes that it is in the best interest of the City of Auburn to construct the FY 20 Streets Re-striping Project; and

WHEREAS, the City Council of the City of Auburn solicited sealed bids as required under Alabama Law; and

WHEREAS, Ozark Striping Company, Inc. meet the specifications for the FY 20 Streets Re-striping Project in an amount up to \$250,000 for one (1) year with the option to renew for two (2) consecutive one (1) year terms; and

WHEREAS, the City of Auburn requests a contract agreement with Ozark Striping Company, Inc. in an amount up to \$250,000 for the FY 20 Streets Re-striping Project.

NOW THEREFORE, BE IT RESOLVED that the City Council of the City of Auburn, Alabama does hereby authorize the City Manager to execute a contract agreement with Ozark Striping Company, Inc. for the FY 20 Streets Re-striping Project in an amount up to \$250,000 and further authorizes up to ten percent (10%) of the contract amount (\$25,000) as contingency to be used for unforeseen conditions.
